

REMARKS

The Examiner's advice that claims 1-5 would be allowable if amended to overcome the 35 U.S.C. §112, second paragraph, rejections is appreciated.

By this amendment, the claims have been corrected in accordance with the Examiner's directions and are now believed to be allowable. The specification has been also amended to correct deficiencies without the addition of new matter.

A formal version of corrected Figure 109 is provided.

Allowance of the application is respectfully solicited.

Respectfully submitted,
